ROUND-UP

NUECES ELECTRIC CHARITIES, INC. TOGETHER WE ROUND UP FOR GOOD.

Thanks to Operation Round Up, every time you pay your NEC bill, you're part of something bigger. Your membership helps transform our community by turning spare change into meaningful impact. Through Operation Round Up, NEC members simply round their electric bills to the nearest dollar. On average, that's just \$6 a year, and never more than 99 cents a month.

These small contributions support Nueces Electric Charities, Inc., which awards grants to local nonprofits such as HALO-Flight air ambulance service and many other organizations you know and trust. Together, we're proving that even the smallest change can make a life-changing difference.

BECAUSE NEC CARES: ENROLL IN CRITICAL CARE TODAY

Nueces Electric Cooperative maintains a Residential Critical Care List for households with members who depend on life-sustaining equipment. For those who qualify, NEC makes every effort to notify individuals on this list during outages. Please note, however, that enrollment **does not guarantee an uninterrupted power supply**.

To enroll, visit your doctor and have them fax the appropriate documentation to NEC.

Steps to prepare for power outages:

- **Consider a portable generator** or learn more about our Generac Program, which can power vital equipment during extended outages.
- **Make arrangements with friends or family** to stay temporarily if a generator is not practical.
- **Keep an adequate supply of prescription medications and medical equipment** on hand.
