CREATE AN EMERGENCY KIT

Be sure to include non-perishable food, water, medications, important documents, flashlights, batteries, first aid supplies, phone chargers, and any pet supplies.

STAY INFORMED

Sign up for local emergency alerts, monitor weather forecasts and updates from trusted sources, and have a NOAA Weather Radio for real-time weather updates.

KNOW YOUR EVACUATION ZONE

Learn your community's evacuation routes, follow the instructions of local officials during an evacuation order, and have a plan for your pets.

CREATE AND SHARE A FAMILY EMERGENCY PLAN

Identify a safe room or safest areas in your home, plan evacuation routes and meeting places, ensure all family members know the plan and practice it regularly.

PROTECT YOUR HOME

Secure windows and doors with storm shutters or plywood, bring in outdoor furniture, secure loose items, and trim trees and shrubs to minimize damage.

STAY CONNECTED

Charge all electronic devices, keep a list of emergency contacts, and use social media responsibly to stay updated and inform others of your status.
