

Nueces Electric Cooperative

## HAPPY HOLIDAYS!

Our offices will be closed  
December 24 & 25 and January 1

As we celebrate this joyous season, we extend our warmest wishes to you and your loved ones for a safe and happy holiday.

For outages or emergencies, our team is on call 24/7.

Contact us at 1-800-NEC-WATT.

## WE'RE GIVING BACK OVER \$620,000 IN CAPITAL CREDITS!

Check your November or December electric bills and you may discover a holiday surprise! It is a privilege for NEC to return Capital Credits just in time for the holiday season.

## TIPS TO HELP YOU SAVE ON ENERGY BILLS THIS WINTER

Dirty AC filters can trap debris that reduces airflow. This makes your system work harder, taking longer to heat your home, and driving up costs. Change your filter every 1-3 months.

Windows not properly insulated for cool weather lead to your home's heat loss. Ensure windows are properly sealed with caulking or weatherstripping to prevent heat from escaping and cold air from entering your home.

Only heat your home when you or others are around to reduce costs. Consider upgrading your system to a programmable thermostat to set your heat usage. Adjust your thermostat before you go out for the day.
