16 Scholarships Available from \$1,000 - \$4,000

Big Things Happen When You **ROUND UP**

THANK YOU!

We want to thank our NEC members who volunteer to "round up" their electric bills to the next dollar through our Operation Round Up program. Funds are collected and donated to Nueces Electric Charities, Inc. who award grants to various charities. Charities we grant funds to include HALO-Flight, Metro Ministries, CASA & more!

Critical Care Status on an Electric Account NEC cares!

Texas electricity consumers with a family member on life support or who have a chronic condition for whom an interruption of power could result in a life-threatening condition can apply for chronic condition or critical care status. This status provides extra notice for potential outages by applying for special status with their provider.

Learn more
by scanning here:

***Critical care status does not guarantee an uninterrupted power supply. If electricity is necessary, you must make arrangements for on-site-back-up capabilities or other alternatives.**

OFFICES CLOSED

Nueces Electric Cooperative offices will be closed on Monday, February 19th, 2024, for an All Employee Training.

In accordance with Cooperative Principle No. 5: Training, Education & Information, NEC works hard to ensure our employees are skilled, dedicated and ready to meet the needs of our members.
