Apply for grants!

Did you know that when you became an NEC member, you started changing lives? Your membership helps support local charity organizations through Operation Round-Up. Through Operation Round-Up, NEC members “round up” their electric bills to the next dollar. The change adds up and goes to a non-profit fund called Nueces Electric Charities, Inc.

Nueces Electric Charities (on behalf of all participating NEC members) then awards grants to nonprofits like the HALO-Flight air ambulance service. The monthly donation never exceeds 99 cents per month! In fact it can be as low as a penny, and averages just \$6 per year.

Nueces Electric Charities has supported many local nonprofits that

you may know. South Texas Light House for the Blind, United Way of the Coastal Bend, and Driscoll Children’s Hospital are just a few of our recipients. Applications are due Jan. 1 and July 1 of every year and more information can be found at www.nuecescharities.org.

Last year **\$144,760** was awarded to 22 charities!

You helped support:

- Children’s Advocacy Center of the Coastal Bend
- Corpus Christi Education Foundation
- Mission of Mercy
- United Way of the Coastal Bend
- Robstown ISD Education Foundation

- YWCA
- Women’s Shelter of South Texas dba The Purple Door
- Citizens for Educational Excellence
- Educating Children’s Future Community Center
