## LINEMAN OF THE GAME

*#Lineman2Lineman Program*

A Touchstone Energy® Cooperative 

Nominations will close on Wednesday,  
September 1

## Coming to a High School Near You!

The 2021 NEC #Lineman2Lineman Program is here, and we want YOU to nominate your favorite high school lineman. Hard work and being a lineman go hand in hand. It's true whether you play high school football or build utility lines. To show our support of all kinds of linemen on and off the field, NEC will spotlight some of the best linemen across South Texas!

August – December, NEC will spotlight 5 “Lineman of the Month”, one with a hardhat and one with a helmet. The spotlight will include photos and brief Q&As with both linemen, highlighting their backgrounds and what helps them succeed in their roles. Each month, we will highlight them on our Facebook page, website, and in our Texas Co-op Power Magazine. Nominate your high school football lineman TODAY at [Nueceselectric.org](http://Nueceselectric.org).

\*Nominations close Wednesday, September 1, 2021

## HALO-Flight Guardian Program

An average air ambulance helicopter transport can exceed \$25,000. Average insurance payout is 30-50%, leaving the patient with the remaining balance. Qualifying NEC members may subscribe to this program for just \$1 a month!

Benefit of Membership is **debt forgiveness** for HALO-Flight Patient Bills (once they have been notified), as well as with their reciprocal partner, Dallas CareFlite.

- Guardian Plan Members who are transported — once HALO-Flight is notified by the member, or their representative:
  - **With insurance** – insurance payment is accepted as payment in full, forgiving any out-of-pocket expenses for the member.
  - **Without insurance** - reduction on the bill by 50%
- Eligibility extends to all family members who are permanent residents of the primary household, (includes dependents, custodial, and non-custodial children). Proof of residence may be required. Excludes: Medicaid recipients (due to state regulations, are not eligible). Regardless of membership eligibility, HALO-Flight transports **ALL** patients.
- HALO-Flight only provides coverage and services that are medically necessary.
- Coverage from three bases of operation: **Corpus Christi, Alice, and Beeville.**

If flown by HALO-Flight, please contact **361-265-0509** to alert the HALO-Flight Membership department of your Membership.

For questions regarding Guardian Subscription Plan Membership, please contact Membership Services at HALO- Flight: **membership@haloflight.org** or by phone at 361-265-0509.
